

Plan summary

This table will be automatically populated to provide a summary of your plan.

Goals	Targets	Challenge of practice
Retain and increase the percentage of students achieving in the top 2 bands in Numeracy.	Retain students in higher bands 3 to 5 and 5 to 7. One student from each class year 3 - 7 achieving in the "coasting" quadrant move to "Optimum" as measured by PAT and NAP Tracker.	If we use data to identify the next learning challenges for students and provide appropriate instruction particularly with multi step problem solving and reasoning more students will achieve or be retained in the higher bands.
	Retain students in higher bands 3 to 5 and 5 to 7. Increase the Percentage of students achieving in the top 2 bands in PAT and NAPLAN in 2019.	
	Retain students in higher bands 3 to 5 and 5 to 7. Increase the Percentage of students achieving in the top 2 bands in PAT and NAPLAN in 2020.	
Retain and increase the percentage of students achieving in the top 2 bands in Reading.	Retain students in higher bands 3 to 5 and 5 to 7. Increase the Percentage of students achieving in the top 2 bands in PAT and NAPLAN in 2018.	If we explicitly teach and develop higher order comprehension skills particularly in inference and synthesis of ideas within and between texts more students will achieve or be retained in the higher bands in Reading.
	Retain students in higher bands 3 to 5 and 5 to 7. Increase the Percentage of students achieving in the top 2 bands in PAT and NAPLAN in 2019.	
	Retain students in higher bands 3 to 5 and 5 to 7. Increase the Percentage of students achieving in the top 2 bands in PAT and NAPLAN in 2020.	
Increase percentage of students demonstrating engagement perseverance and growth mindsets.	Increase percentage of students demonstrating engagement perseverance and growth mindsets as evidenced through the Engagement and Wellbeing survey and the TfEL compass survey tool.	If we conduct more effective formative assessments (check in and act) to determine if students have mastered concepts in STEM we will increase the percentage of students who demonstrate increased engagement, perseverance and growth mindsets.
	Increase the percentage of students achieving above a "C" grade in Science, Maths and Technology and provide greater consistency in assessment and grading.
