From the Principal – Katherine Holman

It was sensational to see so many parents at Sports Day supporting their children. Even though we were challenged with the wind in the middle of the day everyone did a really good job persevering so we could complete the activities. The behaviour on the day was fantastic with people supporting their own and other teams which is really nice to see. There is more information about Sports Day and lots of photos in this newsletter.

The canteen did an amazing job again offering a large variety of products at very affordable prices. Thanks to our parent volunteers who helped out on the day. We also had some other parent volunteers who helped set up, pack up, judge events and carry equipment for classes. A big thanks to all our volunteers on behalf of the staff and students because without your support the day would not be anywhere near as successful.

Thanks to all Team Captains who all did an amazing job leading up to Sports Day and on the day, thanks to the staff for their support and a huge thanks to Andy Ward for organising the day, running all the practises leading up to the day and running the actual day. Well done everyone.

Once again we have had a very busy term with lots of events and we are all looking forward to a well earned break. We hope you all have a safe and happy holiday, enjoy Easter with family and friends and remember our soldiers on Anzac Day. We look forward to another productive term starting on Monday 29th of April.

Scout Hall – Excalibur Rovers

Please be aware that you cannot obstruct the gates or roller doors with your vehicle in front of the Scout Hall. They have vehicles that often need to be transported from their property by trailer. They have been unable to do this as access has been blocked by parents vehicles.

Mothers Day Stall

Mothers Day is fast approaching. All donations are greatly appreciated, we are finding that we are in desperate need of perishable items such as chocolates/lollies, biscuits, tea/coffee and plants. Lets make a great selection for the kids and help raise funds for the school. All donations can be dropped off to the Front Office.

We also once again have a Mothers Day Raffle with 3 fabulous prizes which can be viewed in the Front Office. Tickets are $1 each and are available to purchase now from the Front Office until the Mothers Day Stall opens on Tuesday 7th May.

SCHOOL FUNDRAISING:

Entertainment Books – Sue McKee

The school is once again selling the Entertainment Books as a 2019 Fundraiser. The Entertainment Book is available in Hard Copy or Digital. This fundraiser brings $14.00 from each book sold which goes to the school. Books are now available from the Finance Office for $70.00 and will be on sale from Monday 29th April Week 1, Term 2. Or simply go online and order direct on the link for Salisbury Heights PS and you will receive your digital copy today.

M&S Fees OVERDUE & Debt Recoveries Policy is now actioned:

School Fees Are Now Overdue! - Sue Mckee

Material & Service Fees 2019 were due on Friday Week 6. Our Debt Recoveries Policy will now be implemented and the Department Debt Recoveries Team will be contacted. You need to contact the school as soon as possible to avoid being sent to Debt Recoveries. Statements have been posted home last Friday. Thank you to all the parents who have paid their school fees. The school has a total of $30,050 still outstanding which has an impact on resourcing the curriculum.

Part Payments: Thank you to families who have made arrangements with me regarding part payment of School Fees. Please remember it is your responsibility to ensure payments are made on time.

PayWay: Over the Easter Public Holidays and Anzac Day your PayWay deduction won’t be taken from your bank account until the next working day. Please be mindful of this and ensure there is enough money in the account so the transaction doesn’t decline.

School Card Applications.

All families still waiting for approval from the School Card Section have their M&S Fees put as pending until notified and won’t be actioned to the Debt Recoveries Team.

It’s not too late to apply so please return your School Card Application Form to the Finance Office ASAP (now also available online).

If the School Card Unit have contacted you re: more information, mismatch information or you are not eligible and are appealing the decision please ensure you contact School Card as soon as possible with the information they require. Re-assessment forms are now available from the Finance Office.

School Uniform Orders

The purple uniform order form will be sent home with your child in week 1 of Term 2. Please check your child’s bag. The cold weather will soon be upon us in Term 2 so it’s time to start thinking about windcheaters or the polar fleece zip jacket that have been included in this order.

Library News

Over the past term the library has a number of library books missing. Every year we lose hundreds of dollars worth of books. Could you please have a look around the home, car and your child’s school bags to see if you have any library books.

We really appreciate it when they are returned, even if they are late or damaged. Thank you.

Sports Day 2019

Sports Day for 2019 started off with a bang with the whole school Health Hustle. You could see that all teams had put in a huge effort in rehearsing the moves to put on a great performance for all the spectators who came to watch. A huge congratulations and thank you has to be given to the captains for all their effort in teaching the whole school and getting them prepared for the day. Also the costumes, coloured hairspray and face paint worn by the students showed how much passion the students had for their teams.

Walking around the oval during the Tabloid Events, Sprints and Year Level Relays gave me such pride to see all the students working together and pushing each other to get the best out of their teams. Even when students were faced with challenges and didn’t get the success they desired they continued to cheer each other on showing amazing team spirit.

Unfortunately, like every year, there can only be 2 teams awarded the trophies on offer. The winner for the Overall Points was the Suns for the second year in a row and the Team Spirit Trophy was awarded to the Stars also for the second year in a row.

I would like to give a huge thank you to all the parents and family members that helped out in setting up, assisting the classes at the tabloid events, in the canteen and at the running track for all your help. Without the extra help our Sports Day wouldn’t be such a success. I would also like to thank the teachers and SSO’s for all your hard work during the day to keep the classes going even when the weather turned nasty and everyone was beginning to get tired. Last but not least I would like to thank the students for all their hard work and effort and I hope you all enjoyed yourselves throughout the day as much as I did.

"Excellence and Care"
After a fantastic Harmony day celebration in week 7 we then followed up by joining the National Day of Action against Bullying and Violence on Friday 15th of March. As a school each class did some explicit teaching and learning around BULLYING, re-look at our school rules, values and expectations, friendships and dealing with conflict. These topics are all continued focus areas that are taught throughout the year in classes through the Child Protection Curriculum, Program Achieve and in Health.

Our students have a clear understanding that bullying is REPEATED behaviour and the abuse of power over another. We are very clear at school about the definitions of what is RUDE, what is MEAN and what is BULLYING. Our focus has been continuing to encourage students to speak up, targeting bystanders and giving students strategies to use in the classroom, in the yard and who to approach to get help. We use a number of strategies to encourage positive behaviour, stop inappropriate choices and behavior, supporting students to get along, be kind and treat each other with respect and kindness.

As a school community we will continue to work together to educate students and parents about what is expected and how we treat others in and out of school. If any issues are reported to you as a parent – please remember the correct terminology, find an appropriate time to talk to the classroom teachers and do not approach other parents or children. Allow class teachers and staff to follow our processes and procedures that ensure a positive outcome for all. We do not use SEESAW for behaviour management or to communicate about these matters. Please make a call, leave a diary note to get a teacher to call or pop in.
