Next term we have a number of our students who have not achieved at the standard education achievement benchmarks receiving some extra support. Our EALD students who were below the benchmark in writing will be receiving support in literacy. Families will be notified if your child will be receiving additional support.

We are also looking forward to Sport’s Day next term on Friday 25th May and doing the next stages of our yard redevelopment.

We would like to thank all of our volunteers for your invaluable contribution throughout the term and look forward to working with you again next term. Thanks to everyone for your wonderful support during the term and we wish you all a happy and safe holiday.

NAPLAN
In week 3 next term Monday the 14th May, Tuesday 15th and Wednesday 16th the year 3, 5 and 7 students will be participating in the NAPLAN tests. For students who are absent for one or more of the tests we will have an opportunity for them to catch up on Thursday and Friday. As all students involved have been exposed to how to access the tests and had some practise tests, we are not expecting any students to be too stressed by the experience. If you have any concerns please don’t hesitate to contact your child’s classroom teacher, myself or Terry Minos.

PLEASE NOTE:
Early dismissal on Friday 13th April at 2:00pm
Term 2 commences on Monday 30th April

"Excellence and Care"
2018 School Photos will be taken on Monday 21st May Term 2
Photos will be taken on Monday 21st May next term and catch up day will be on Wednesday 23rd May. Envelopes will be coming home nearer to the day and more information will be in the next school newsletter.

ATTENDANCE- Amber Arruzzolo – Student Wellbeing Leader
Attendance notices will be sent out with your child today as per our usual procedures to children that have missed 10 or more days this term – explained and unexplained will be sent home a letter. If students have an ‘approved exemption’ then these letters are just for your personal records.

Thank you to all of those families that continue to provide explanations for absences and lateness to classroom teachers and the front office. Three days off ‘ill’ requires a medical certificate. However even explanations are still monitored and if we continue to see negative attendance patterns that ultimately effect student’s learning, social skills and overall wellbeing then steps will be taken to improve this.

Any families that continue to have a large number of days off of school and do not come in and speak to the school, access support or begin to improve in these areas are referred to the DECD Social Worker for Attendance and Engagement. We thank you in advance for getting students to school and making improvements in their attendance. ☺

Did you know that lots of foil in current use is made from recycled materials? As a school, we decided to collect foil over the Easter period to recycle. For some added fun, we decided to see which class could make the biggest foil ball! It was wonderful to collect lots of foil to recycle in order to help the planet a little. Congratulations to everyone who joined in. A special mention to room 13 for creating a very cute foil rabbit and to room 28 for creating the biggest foil ball!

"Excellence and Care"
The children in Room 9 have been using Microsoft Publisher 2010 to create posters to display some of the important things that they have learnt about bullying this term. For most of the children this has been the first time that they have used Publisher to publish work. It has been a challenging experience but the children have been working hard and they have been pleased with their efforts.

The 3 Main Features
1. Misuse of power in a relationship.
2. Ongoing and repeated.
3. Behaviours that can cause harm.

What Bullying Can Cause
Bullying can cause people to be upset all the time and maybe even make it so they leave school and do nothing. Bullying is just unfair to the people who are getting bullied.

What Is Bullying?
People who bully others misuse their power to hurt people physically or psychologically. Reasons for bullying include:
- They have been bullied themselves
- They think it will make them popular

Types Of Bullying
Verbal - Includes name calling or insulting someone about physical characteristics.
Physical - Hitting or otherwise hurting someone, shoving or intimidating another person.
Social - Consistently excluding another person or sharing information or images that will have a harmful effect.

"Excellence and Care"
Parking Around Schools

Due to the chaotic nature of traffic around schools at peak times, streets can be an extremely dangerous place for children.

Young children have not yet fully developed their cognitive abilities and therefore their perception, judgement and awareness of potentially dangerous situations is not adequately developed to enable them to cope with the road traffic.

Children are not easily visible and often act impulsively, which means if you are driving around a school take special care, to ensure we keep our children safe. Remember that children copy grown-ups - encourage good road sense by watching them closely and leading by example.

5 Helpful Tips for School Zones

As parents and caregivers we have a great responsibility to ensure children stay safe in school zones. We also play a key role in educating children about road safety. Here are 5 helpful tips for safety in school zones:

1. Allow enough time to take your child to the school gate safely and without rushing.
2. Always observe parking signs and speed limits in and around school zones.
   They are designed to keep your child safe.
3. Talk about signs and traffic lights with your child. Identify and discuss places where it is safe to get out of the car and cross the road.
4. Teach your child how to cross the road using the “stop, look and listen” process – stop at the kerb, look and listen for traffic and then decide whether it is safe to cross.
5. Park a few streets away and walk your child to school. This is also good exercise and helps teach your child road safety rules.

Behaviours to Avoid
- Speeding
- Double parking
- Parking too close to an intersection
- Parking across driveways
- Parking too close to pedestrian crossings
