**From the Principal – Katherine Holman**

Well done to all the students who participated in the NAPLAN tests. It was great to see that the majority of the students were very positive and tried their best in all aspects of the tests. The results usually come back to the school during Term 3 when a copy of individual results will be sent home. As a staff we then look at all the results and analyse what are the teaching and learning implications for our school.

**Sport’s Day**

Sport’s Day is fast approaching and I would just like to remind people that while we strongly encourage students to dress in their team colours, clothing still needs to be appropriate and sun smart. Tops need to cover shoulders. This term the students are not required to wear hats however if the UV rating is unusually high, greater than 3, we may request hats be worn for the day.

**Mother’s Day Stall**

A special thanks to Cassie O’Brien and Sheree Short for their management of the Mother’s Day Stall. Also a big thank you to the group of parents that helped with the stall which as always was a huge success and great community event. Without all these volunteers it would not be possible to provide this service. Again it looked sensational when the children went in to purchase their gifts. The addition of the raffle has been well received and we had some very happy winners when they were drawn at assembly last week. Congratulations to:

1st Prize: Sue Mckee  
2nd Prize: Tyson Wakefield  
3rd Prize: Harvey O’Brien  
4th Prize: Cooper Wise  
5th Prize: Judy Russo

There were many quality gifts for under $5.00 and stocks were almost completely sold out which is fantastic. In total we raised an amazing $2,136.02 which will go towards our yard redevelopment. Thanks for supporting the stall and raffle again this year. We hope you all had a wonderful Mother’s Day and were happy with the gifts your child/children either bought or made for you.

**My Holidays**  
In the holidays I went to Walaroo and we went on a big water slide. There was a bucket and it fills up with water and it tips on you! And I felt excited. I went to the Zoo and I saw some meercats and I fed them.
