From the Principal – Katherine Holman Athon

Due to the large number of financial pressures on families over this term including photos and a number of excursions we decided to shift our Annual 'Athon' to early next term. The SRC will be meeting to decide what the Athon will be.

Forms for Sponsorship will be sent home in the near future.

Building on our work in Growth Mindsets we have been looking at the idea of mindfulness and developing skills in emotional regulation. Some classes have been working with Mrs Arruzzolo this term in this area and the feedback has been really positive. Staff will also be participating in some sessions to develop their skills and knowledge in the area.

Congratulations to Jacinta Grammatopoulos who has been successful in being selected for the Primary Schools Music Festival Centre Troupe for this year. Jacinta will perform in the troupe during other schools choir performances and will be available to perform with our Choir as a singer.

We look forward to seeing our choir perform at the Entertainment Centre later this year as the Festival Theatre is still undergoing renovations.

Well done to everyone on a very productive term with many successful special events and some terrific learning for teachers and students happening across the school. The STEM activities and continued work in problem solving in Maths has been particularly impressive.

PLEASE NOTE

**Early Dismissal 2pm on Friday 7th July
School Resumes on Tuesday 25th July.**

Farewell to Aaron Raschella who has worked with our Aboriginal students this year in the role of Aboriginal Community Education Officer. Aaron has been successful in getting another

position. He has been a committed and valued member of our school community and has helped raise the profile of our Aboriginal children as well as supporting their families. He has worked in many classrooms and we will miss having him in the school. We would like to say thank you to Aaron for everything he has contributed to the school and wish him every success in the future. Finally thanks to all our families for your support during the term and we hope you have a safe and happy holiday.

Car Park and Parking

To ensure the safety of everyone especially our children please do not walk through the staff car park as it is not safe. We have had several reports of people having near misses. It is important that adults are good role models so please use the paths through the main gates into the school and instruct your children to do the same. If entering by OSHC use the marked walkway.

We would like to remind parents again that the staff car park is out of bounds.

Canteen - Catherine and Mandie

We would just like to remind everyone that on **Friday 7th July** the canteen will only be open for sales at Recess.

Showdown kicks off in week 2 term 3, so we are sending out order slips next week, however they will not be due back until Thursday of week 1.

Our Bi-Weekly Special for weeks 1 and 2 of term 3 will be Ravioli Pasta Bake.

Nationally Consistent Collection of Data on School Students with Disability - Tania Woolgar – Special Education Coordinator

We have commenced the annual nationally consistent collection of data on school students with disability ('the Collection').

This will involve the collection of; the number of students receiving adjustments to enable them to participate in education on the same basis as other students; the level of adjustment provided to students; and where known, the student's type of disability.

Under the Collection model the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information about your child will be included in this year's data collection.

If you have any questions about the data collection, please contact Tania Woolgar or Terry Minos on 82587299.

Further information about the Collection can be found at: <http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>.

Social Responsibility Awards

It was terrific to celebrate our students who received awards for Social Responsibility at this week's assembly.

These awards recognise children who use all their Program Achieve Keys and Habits of the Mind. These children are reliable and we can depend on them to be an asset to the classroom and show 'Excellence and Care' towards their class mates and school. The children who received this award were very excited.

Rooms 32 and 35 have been very busy.....

We have visited the Old Spot Farmers Market, which is held on Wednesday mornings, and buying ingredients to make our lunches...

We have made a range of things including pasta, zucchini slice, salads, pinwheels and platters.

We have established our vegetable and herb garden which we will use in cooking and the school canteen can use as fresh ingredients for lunches in the future.

These activities develop a range of skills such as team work, turn-taking, sharing, co-operation, collaboration, building independence and responsibility and community awareness. It is also integrated through our curriculum areas such as Literacy, Maths, Science and Health.
