From the Principal – Katherine Holman

As another term draws to a close it is a good time to reflect on the highlights over Term 2. It is always amazing how much we manage to fit into every term. We would also like to take this opportunity to thank everyone for their support throughout the term and wish you a very happy and safe holiday. We look forward to another action packed Term 3 starting on Monday 22nd of July.

Our Education Director has approved the closure of Salisbury Heights Primary School on Monday the 1st of July for the whole day. This is due to a vote for Industrial Action by members of the Australian Education Union at this site. The Education Director has approved the closure on the grounds that insufficient staff will be on duty to enable me as Principal to ensure that adequate standards of student safety and welfare can be provided.

Unfortunately OSHC will be closed as they are unable to ensure that adequate standards of safety and welfare can be provided. As we were unable to secure enough staff for the day to keep the service open we will be closed.

Book Week

As you are all aware our staff and students really enjoy Book Week and in particular the Parade. This year the theme is Reading is my Super Power and the Parade will be Tuesday the 20th of August in week 5 term 3. The holidays may be a good time to make or start to organise costumes.

Disabled Carpark

A reminder to all parents that our disabled parking spaces around the school are reserved for people in our community who require them. These spaces can ONLY be occupied by vehicles that are displaying the correct parking permit. Dropping your children off in the disabled carpark can be inconvenient to people who need them the most. Please be considerate when around these carparks for the safety and convenience of others.

PLEASE NOTE:
School Closure all day due to Industrial Action on Monday 1st July.
Early dismissal on Friday 5th July at 2:00pm
Term 3 commences on Monday 22nd July.

All families who have been contacted by School Card with Mismatch Problems or Information Required MUST contact School Card Section on 1800 672 758 and supply the information or receive guidance on where to go from here.

If NO ACTION is taken by families then the Debt Recovery Team will be notified and you will need to pay your School Fees in full. It is the applicant’s responsibility to follow up with the School Card Section.

**National Disability Insurance Scheme (NDIS) parent information session:**

*Terry Minos and Tania Woolgar*

Our school will be hosting an information session about the National Disability Insurance Scheme presented by a representative from “Access 4 U”. The session will be held on Tuesday the 6th August in the Resource Centre at 9:00am. This information session is for any parents and caregivers who are interested in finding out more about the NDIS. Your child does not have to already be approved for the NDIS for you to attend the session. Your child may be eligible for NDIS if they have assessments indicating a delay, impairment or condition. If your child is eligible for the NDIS they may be able to access a variety of supports including speech and language, occupational therapy and physiotherapy (just to name a few). We anticipate the session will be informative and will hopefully be able to answer any questions you may have about NDIS. Please return the reply slip on the flyer in this newsletter to your child’s class teacher if you are interested in attending the session.

**Vinnies Winter Appeal - Amber Arruzzolo**

Salisbury Heights Primary School is again taking part in the Vinnies Winter Appeal. It is a fantastic opportunity for our school to give back and help the local community – especially in these cold winter months. We will be accepting donations for the rest of this term and into early next term. Classes have had their bins delivered, so if families could have a clean out that would be great. We are looking for donations of:

- Warm clothes
- Blankets
- Jackets / jumpers
- Non-perishable/in date food (cans, pasta etc)
- Hygiene products
- Baby supplies

We will continue to let children know how this is going and remind them in assembly.

**SRC News - Amber Arruzzolo Student Wellbeing Leader**

The SRC were very excited to meet again last week in the newly refurbished Wellbeing Room. In our meeting the SRC discussed the rubbish in the yard, fundraising suggestions and the Vinnies Winter Appeal. Our yard and school environment continue to be points of discussion. With buckets and tongs being delivered we hope to see a positive change.

Student voice is a very important part of our school and give students the opportunity to have a say in whole school planning, their own learning and giving back to the local and wider community. It is a way in which students can be part of the ‘change process’ and recognise that they really do have a voice that we listen. We look forward to sharing more from the SRC with you.

**Holiday School Watch**

We appreciate the care that our neighbourhood takes in keeping a watchful eye on our school buildings during the holidays.

Anyone noticing suspicious behaviour or damage is asked to phone:

- **Police Security 8116 9230**
- **Police 131 444**

The only children inside the fenced area during the holidays should be those attending Out of School Hours Care (OSHC) Vacation Care.

"Excellence and Care"
On Friday the 21st June Room 6 & 3 visited the Old Highercombe Museum at Tea Tree Gully. Here are a couple of recounts from Room 6 explaining what they learned during their time at the Old Highercombe Museum.

**Tea Tree Gully Museum**  
By Olivia Penney- Room 6

On Friday Room 6 and Miss Warren’s class went on an excursion.

First we learnt how to make flour and grind up wheat. It was lots of fun.

Next we learnt what it was like to wash your clothes in the olden days it was lots of work.

After that we learnt how to get water, you use a pump.

Then we learnt what is was like to have dinner.

Later we learnt what it was like to have a bath. You have to go and get water from the pump.

Finally we learnt what it was like to go to school. If they were naughty they got smacked.

We learnt lots, it was great.

**Tea Tree Gully Museum**  
By Dakota Pitasi- Room 6

On a cold sunny wet Friday, Miss Warren’s class and also Room 6 went to the Tea Tree Gully Museum.

First Room 6 went in a big green shed. The parents went to look around. Next we had a big talk in the shed and look around. After that we played some games. Later we ate recess and then went inside the museum. We learnt so much, how to do washing, iron and what they used to wear for school. We also learnt what they did in school how they went to the toilet. They also had a foot warmer to keep their feet warm.

I was very excited about the excursion. It was awesome!
This week our year 5/6/7 students have worked with SAPOL around Cyber Safety. This is an online world that we are living in and often issues arise that come to school from inappropriate online use by children that are underage and unsupervised online. We continue to educate our students about keeping themselves safe online, privatising APPS and being aware of the laws around internet usage. We also talk to kids about limiting their online time as this can become addictive and impact on their overall wellbeing.

**SOME TIPS:**
- If you don’t know what they are doing then they shouldn’t be on it
- Parents must have access to all passwords and devices
- Don’t let kids have devices in bedrooms overnight – they need to SWITCH OFF

Over the next few newsletters we will add in some information for parents and have it available in the front office. ☺️
On the 27th and 28th of May Aidan and Jyrelle attended the STEM Aboriginal Student Congress at the Adelaide Convention Centre with Mrs Spartley. It was an amazing opportunity for these students to participate in a variety of STEM experiences that linked with Aboriginal culture and perspectives. The students were presented with a STEM shirt and bag to keep. The workshops the students participated in were Technology in Sport with the Port Adelaide Football Club, Gaming with the company Mighty Kingdom, Music in Maths and a visit to the Migration Museum. Some other highlights over the two days were the Elder Talks and the dances with Uncle Moogy. Jyrelle and Aidan were able to see how STEM is involved in so many aspects of their lives and look forward to more STEM opportunities at school.
Reconciliation Event

On the 31st of May Keller Road Primary School hosted the Salisbury Partnership Reconciliation Event and 48 students from our school attended. They participated in a variety of workshops run by Aboriginal Student Leaders. Some of the workshops our students participated in were Drum Beats, Football, Dancing Tal –Kin- Jeri and weaponry. Our students thoroughly enjoyed learning the Kangaroo and Emu Dances with the shaker leg move.
