From the Principal – Katherine Holman

What a fabulous way to end the year with our wonderful Christmas Concert and the year 7 Graduation. Both events were very successful and well supported by the community.

Many parents commented on the quality of items in this year’s concert and we were so lucky with the weather. The talent we have at Salisbury Heights never ceases to amaze us. The confidence our children display is exceptional. Well done to our staff for continuing to develop these important life skills. Thanks to all staff for the team work in preparing the students for these events. Special thanks to Mr C, Ms Ciccone and Mr Gilder for their coordination of the events.

We have had many highlights this year with all our annual events being very successful. Again these are a team effort and what makes our school a special place to be with a great community feel. Being acknowledged by DECD as being a highly successful school was also something we are very proud of.

Farewells

It is always with a sense of sadness we say goodbye to people especially those who have been associated with our school community for a long time. We wish all the students and families leaving our school all the very best for the future. We would also like to take the opportunity to say farewell to the following staff, Veronica Albrecht, Monica Stathoulis, Bill Bailey, Zac McEntee, Deb Matthes and Rebecca Clark and thank them for the support and contribution they have made to our school and wish them all the very best for the future.

Canteen News

The Governing Council recently advertised the position of Canteen Manager for terms 1 & 2 next year. Terry Minos and Sarah Dolman (Governing Council Chairperson) were on the selection panel. We had an enormous amount of interest in the position. The process has now concluded and the successful applicant, Emily Spradbury has been offered and has accepted the position.

Emily is a trade qualified Chef with extensive experience within the food industry. Her employment history has enabled her to develop a strong business understanding and has demonstrated the ability to successfully manage responsibilities including budgets, stock and human resources.

We feel these skills will place her in a good position to generate the transition required to help the canteen become a financially viable proposition and in turn continue to provide a service to our school community.

On behalf of the Governing Council, staff and school community we would like to take this opportunity to acknowledge the efforts of both Rebecca Clark and Debbie Matthes who over many years have worked tirelessly to provide a service for the Salisbury Heights school community.

We thank them for their commitment and look forward to their continued support albeit in different capacity.

Finally on behalf of the staff and myself I would like to take this opportunity to wish you all a safe and happy holiday, a Merry Christmas and Happy New year and we look forward to working together again next year.
It is hard to believe I am retiring. I have really enjoyed my 12 years at Salisbury Heights. Thank you all so much for your kind wishes and for sharing your very precious children with me.

Goodbye everyone
Miss Veronica

Excellence and Care

Farewell
In the spirit of heartfelt appreciation, I would like to shout out to our school community how truly invaluable and inspiring all of our Heights in Lights volunteers have been over our past eleven shows. These amazing people give freely of their energy, expertise and time.

At this time in particular, I wish to thank Rebecca Clark for supporting over 700 students to excel in the performing arts at Salisbury Heights Primary School during the eight years of her involvement. Her enthusiasm, dedication and initiative are traits which shine in a myriad of ways. She is a hero for the performing arts at this school and has been instrumental in the show’s longevity.

On behalf of all the students she has worked with and their families, I extend my sincere gratitude.

Canteen News
We would like to thank all our volunteers that have helped throughout the year and hope to see you all again next year.

We would like to wish everyone in our school community a Merry Christmas and a safe and Happy New Year.

Holiday School Watch
On behalf of our school community I’d like to thank those friends and neighbours who keep a caring eye on our school property after school hours. During the Christmas vacation no one should be within the school fence enclosure except students attending Out of School Hours Care – Vacation Care Program. At times OSHC may have one of the fence gates open to access the oval. This does not mean that other people are welcome to enter and be around the school buildings.

If anyone has concerns regarding the behaviour of people on the school premises or notice any damage to property, please notify ……

SCHOOL CROSSING MONITORS
Recently your child’s school took part in School Crossing Monitor Training conducted by the South Australian Police. This involves students in years 5, 6 and 7 being trained by Road Safety Educators from the SA Police Road Safety Section. After the training is complete the student will receive a Certificate of Authority issued on behalf of the Commissioner of Police which, under the Road Traffic Act 1961 authorises the student to work as school crossing monitor. The certificate authorises the student to stop traffic using a Stop Sign or using Pedestrian Actuated Traffic Lights, as well as give reasonable directions to pedestrians for the safe and efficient movement of traffic at or on the crossing as in their opinion is necessary.

It is extremely important that all people (including parents) use the crossings and become good road safety role models, by following the School Crossing Monitor’s directions, not only for their safety but the safety of all students and road users.

If parents have any questions about the training the Road Safety Section is happy to receive these inquiries on the telephone number 82076586.
